

GETS SIGNED CONTRACT WITH CHINA-ASEAN INFORMATION HARBOUR (CAIH)

7 January, 2018

GeTS signed the contract with China-ASEAN Information Harbour (CAIH) to develop and promote the international module for Guangxi's Single Window Development.

This project is targeted for cross-border trade declarations along the International Land -Sea Transport Corridor (ILSTC) (formerly known as the Southern Transport Corridor), for users both in China and ASEAN markets.
